American Patriot Council: Mission
To Restore and Sustain a Constitutional Government in the United States of America

Dear Attorney General William Barr,

On July 30th, 2020 APC met with First US Attorney Saima Mohsin and FBI Special Agent Josh Hauxhurst at the Federal Building in Detroit, MI. On that day we presented to them, federal felony crimes committed by Michigan Governor Gretchen Whitmer, Attorney General Dana Nessel and Secretary of State Jocelyn Benson and advocated for their immediate arrest.

Since that meeting, Ms. Mohsin has inaccurately claimed the DOJ finds no substantiating evidence and closes the case. We appealed and asked if US Attorney Matthew Schneider agreed with the conclusion reached by Ms. Mohsin. To which, their response is remained unchanged.

Mr. Barr, based on the inaction of US Attorneys in MI, the APC requests your involvement.

Enclosed you have the information validating the federal felonious crimes committed by Gretchen Whitmer, Dana Nessel and Jocelyn Benson. The 1st, 5th, 13th & 14th Amendments of the US Constitution have been violated and rights have been deprived from all Michiganders.

What is happening in Michigan cannot be overlooked, the people of our state are restless, and the federal crimes are evident. The people of Michigan will have justice.

You tasked Matthew Schneider with protecting constitutional rights and civil liberties, which he has not done and is electing to not do. 18 USC 241 & 18 US 1001 under 18 USC 2331(5)(B)(i)(ii) have been violated multiple times in Michigan. You said the constitution is not suspended during this time, actions taken in Michigan are contrary to that, now it's time to restore liberty.

APC has sent letters to Whitmer, Nessel and Benson advising they resign immediately from their elected offices and turn themselves in as felons to the DOJ.

The public will be advocating for the criminal felony arrests of Whitmer, Nessel and Benson, APC is making their crimes public and known. We want the DOJ to do their job, restore the constitutional supremacy in American as the law of the land and bring these corrupt elected politicians to justice.

All actions taken by the American Patriot Council are conducted in a legal and lawful manner.

Respectfully,
Ryan D. Kelley & Jason Howland
