To Restore and Sustain a Constitutional Government in the United States of America

This letter is a lawful action in exercise of the guaranteed 1<sup>st</sup> Amendment right found in the Bill of Rights in the United States Constitution. All APC actions are done in a lawful manner.

Mrs. Benson,

On July 30<sup>th</sup>, 2020 the APC met with the Department of Justice and Federal Bureau of Investigation and presented felonious federal crimes under 18 USC committed by you.

By signing EO-2020-69 & EO-2020-70 & EO-2020-153 you have entered into an 18 USC 241 felony violation as a co-conspirator with Gretchen Whitmer and Dana Nessel to deprive millions of Michiganders of their 1<sup>st</sup>, 5<sup>th</sup>, 13<sup>th</sup> & 14<sup>th</sup> Amendment rights found in the United States Constitution.

We encourage you to go to [www.americanpatriotcouncil.org](http://www.americanpatriotcouncil.org) under 'cases' to review the violations taken by you and your co-conspirators, should you need further evidence of your felonious crimes.

The APC advises you take the following immediate actions:

- Immediately resign from your elected office of Michigan Secretary of State
- Immediately following resignation, turn yourself in to the Department of Justice and be accountable for your unconstitutional felonious actions

Expect the public to be advocating for your criminal arrest. APC is making your crimes known.

The People of Michigan will not rest until Justice is served, you are held accountable and put in prison for your crimes.
