American Patriot Council: Mission
To Restore and Sustain a Constitutional Government in the United States of America

This letter is a lawful action in exercise of the guaranteed 1st Amendment right found in the Bill of Rights in the United States Constitution. All APC actions are done in a lawful manner.

Governor Whitmer,

On July 30th, 2020 the APC met with the Department of Justice and Federal Bureau of Investigation and presented felonious federal crimes under 18 USC committed by you.

Your actions taken in the year 2020 as Michigan's Governor have been unconstitutional and criminal. You have violated your oath of office to uphold the US Constitution on multiple occasions. Under 18 USC 241, you have violated the 1st, 5th, 13th & 14th Amendments of the US Constitution. The conspiracy to deprive rights involves; Benson, Nessel and yourself. You have also violated 18 USC 1001 by making several false statements. These violations are felonies.

On April 30th, 2020 you deprived millions of Michiganders their constitutional liberty under the 5th and 14th Amendments of the US Constitution, without due process of law in EO-2020-69. On May 1st, 2020, in EO-2020-70, by placing all Michiganders on house arrest you deprived them of their constitutional liberty under the 5th and 14th Amendments of the US Constitution, without due process of law. Likewise, in that same EO, you violated the 1st Amendment right of every Michigander by stating "all public and private gatherings of any number of people occurring among persons not part of a single household are prohibited". Which is contrary to the provision in the 1st Amendment "or of the right of the people to peacefully assemble;"

We encourage you to go to www.americanpatriotcouncil.org under 'cases' to review the violations should you need further evidence of your felonious crimes.

The APC advises you take the following immediate actions:

- Immediately resign from your elected office of Governor of Michigan
- Immediately following resignation, turn yourself in to the Department of Justice and be accountable for your unconstitutional felonious actions

Expect the public to be advocating for your criminal arrest. APC is making your crimes known.

As a Senator, you advocated that the people hold the governor accountable. We are taking your advice and are holding you accountable. The People of Michigan will not rest until Justice is served, you are held accountable and put in prison for your crimes.
